From former Muslims who became Catholics, □and their friends,□□□□

to His Holiness Pope Francis,□□

□ about his attitude towards Islam.

П

Most Holy Father,

Many of us have tried to contact you, on many occasions and for several years, and we have never received the slightest acknowledgement of our letters or requests for meetings. You do not like to beat around the bush, and neither do we, so allow us to say frankly that we do not understand your teaching about Islam, as we read in paragraphs 252 and 253 of Evangelii Gaudium, because it does not account for the fact that Islam came AFTER Christ, and so is, and can only be, an Antichrist (see 11 Jn 2.22), and one of the most dangerous because it presents itself as the fulfillment of Revelation (of which Jesus would have been only a prophet). If Islam is a good religion in

itself, as you seem to teach, why did we become Catholic?

Do not your words question the soundness of the choice we made at the risk of our lives? Islam prescribes death for apostates (Quran 4.89, 8.7-11), do you know? How is it possible to compare Islamic violence with so-called Christian violence: "What is the relationship between Christ and Satan? What union is there between light and darkness? What association between the faithful and the unfaithful?" (2 Cor 6: 14-17) In accordance with His teaching (Lk 14:26), we preferred Him, the Christ, to our own life. Are we not in a good position to talk to you about

Islam?

In fact, □as long as Islam wants us to be its enemy, □we are, □and all our □protestations of friendship cannot change anything. □As a proper Antichrist, □Islam exists only as an enemy of all: "

Between us and you there is enmity and hatred forever, until you believe in Allah alone!" \square (Qur'an \square 60.4) \sqcap For the Qur'an, \sqcap Christians " \sqcap are only impurity" (\sqcap Quran $\lceil 9.28 \rceil \rceil$," " $\lceil \text{the worst of Creation"} (\lceil \text{Qur'an} \rceil 98.6) \rceil$, $\lceil \text{all} \rceil$ condemned to Hell (□Qur'an □4.48)□, □so Allah must exterminate them (□Quran □9.30)□. □We must not be deceived by the Quranic verses deemed tolerant, ∏because they have all been repealed by the verse of the Sword (\square Quran \square 9.5) \square . \square Where the Gospel proclaims the good news of Jesus' death and resurrection for the salvation of all, and ∏the fulfillment of the Covenant initiated with the Hebrews, \square Allah has nothing to offer but war and murder of the "∏infidels" in exchange for his paradise: "□They fight on the way of Allah, □they kill and are *killed."* ($\sqcap Quran \sqcap 9:11$) We do not confuse Islam with Muslims, □but if for you "□dialogue" □means the voice of peace, □for Islam it's only another way to make war. ∏Also, ∏as it was in the face of Nazism and communism, ∏naiveté in the face of Islam is suicidal and very dangerous. □How can you speak of peace and endorse Islam, □as you seem to do: "□To wring from our hearts the disease that ∏plagues our lives ((□... □) ∏Let

those who are Christians do it with the Bible and those who are Muslims do it with the Quran. ☐ "(☐Rome, ☐ ☐January ☐ ☐20, ☐ ☐2014☐) ☐? That the Pope seems to propose the Quran as a way of salvation, ☐ is that not cause for worry? ☐Should we return to Islam☐?

We beg you not to seek in Islam an ally in your fight against the powers that want to dominate and enslave the world, ∏since they share the same totalitarian logic based on the rejection of the kingship of Christ (\square Lk \square 4.7). \square We know that the Beast Child, ∏has many heads. ∏Allah defends such alliances by the way (\square Quran \square 5.51)! \square Moreover, the prophets have always reproached Israel for its willingness to ally with foreign powers, ∏to the detriment of the complete confidence they should've had in God. □Certainly, □the temptation is strong to think that speaking in an Islamophilic tone will prevent more suffering for Christians in those countries that have become Muslim, \square but apart from the fact that Jesus has never indicated any other way than that of the Cross, ∏so that we must find our joy therein □and not flee with all the damned, □we do not doubt that only the proclamation of the Truth brings with it not only salvation, ∏but freedom as well (∏John $\lceil 8.32 \rceil \rceil$. $\lceil 0 \text{ur duty is to bear witness to the truth "} in season$ and out of season" ($\square 2 \square Timothy \square 4. \square 2$) \square , \square and \square our glory is to be able to say with St. \sqcap Paul: " $\sqcap I$ did not want to know anything among you except Jesus Christ, ∏and Him crucified." $(\Box 1 \Box Corinthians \Box 2.2)$

As to Your Holiness's stance on Islam: even as President Erdogan, [among others, [asks his countrymen not to integrate into their host countries, [and while Saudi Arabia and all the petrol monarchies do not welcome any refugee, [expressions (among others) of the project[[of conquest and Islamization of Europe, [] [officially proclaimed by the OIC and other Islamic organizations for decades; [] []you, Most Holy Father, preach the welcoming of migrants regardless of the fact that

they are Muslims, \square something forbidden by Apostolic command: " \square If anyone comes to you but refuses this Gospel, \square do not receive him among you nor greet him. \square Whoever greets him participates in his evil works." (\square 2 \square John \square 1.10-11); " \square If anyone preaches to you a different Gospel, \square let him be accursed!" \square (Galatians \square 1.8-9)

Just as "For I was hungry, and you gave me no food." (Mt 25:42) cannot mean that Jesus would have liked to be a parasite, so "I was a stranger and you welcomed Me" cannot mean "I was an invader and you welcomed Me", but rather "Ineeded your hospitality for a while, and you granted it to me". The word $\xi \dot{\epsilon} voc$ (xenos) in the New Testament does not only have the meaning of stranger but of quest as well (Rm 16.23; 1 Co 16.5-6, Col 4.10; 3 Jn 1.5). And when YHWH in the Old Testament commands to treat foreigners well because the Hebrews have themselves been foreigners in Egypt, □it is on the condition that the foreigner assimilates so well to the chosen people that he accepts their religion and practices their cult∏… ∏Never is there mention of welcoming a foreigner who would keep his religion and its customs! ∏Also, ∏we do not understand that you are pleading for Muslims to practice their religion in Europe. □The meaning of Scripture should not be supplied by the proponents of globalism, ∏but ∏in fidelity to Tradition. □The Good Shepherd hunts the wolf, □He does not let

□□The pro-Islam speech of Your Holiness leads us to deplore the fact that Muslims are not invited to leave Islam, and □that many ex-Muslims, □such as Magdi Allam,□□are even leaving the Church, □disgusted by her cowardice, □wounded by equivocal gestures, □confused by the lack of evangelization, □scandalized by the praise given to Islam □... □Thus ignorant souls are misled, □and Christians are not preparing for a confrontation with Islam, □to □which St. □John Paul II has called them (□Ecclesia in Europa,□□No.□□57□)□.□□We are under the impression that you do not take your brother Bishop

Nona Amel, ☐ Chaldean-Catholic Archbishop of Mosul in exile, □seriously, □when he tells us: "□Our present sufferings are the prelude to those that you, ∏Europeans and Western Christians, \square will suffer in the near future. \square I have lost my diocese. □The headquarters of my archdiocese and my apostolate have been occupied by radical Islamists who want us to convert or die. $(\square ...)$ \square You are welcoming into your \square country an ever increasing number of Muslims. ∏You are in danger as well. ∏You must make strong and courageous decisions $(\square ...) \square$. \square You think that all men are equal, ∏but Islam does not say that all men are equal. $(\square ...)$ \square If you do not understand this very quickly, ∏you will become the victims of the enemy that you have invited into your home." ($\square August \square \square 9, \square \square 2014 \square$) " $\square.\square$ This is a matter of <u>life and death</u>, \prod and any complacency towards Islam is treasonous. ∏We do not wish the West to continue with Islamization, □nor that your actions contribute to it. □Where then would we g o t o seek

Allow us to ask Your Holiness to quickly convene a synod on the dangers of Islam. What remains of the Church where Islam has installed itself? If she still has civil rights, it is in dhimmitude, on the condition that she does not evangelize, thus denying her very essence. In the interest of justice and truth, the Church must bring to light why the arguments put forward by Islam to blaspheme the Christian faith are false. If the Church had the courage to do that, we do not doubt that millions, Muslims as well as other men and women seeking the true God, would convert. As you said: "He who does not pray to Christ, prays to the Devil." (14.03.13) If people knew they were going to Hell, they would give their lives to Christ. (Cf. Quran 3.55)

□□□With the deepest love for Christ who, □through you, □leads His Church, □we, □converts from Islam, □supported by many of our brothers in the Faith, □especially the Christians of the

East, and by our friends, ask Your Holiness to confirm our conversion to Jesus Christ, true God and true man, the only Savior, with a frank and right discourse on Islam, and, assuring you of our prayers in the heart of the Immaculate, we ask your apostolic blessing.
